

ALISO VIEJO LITTLE LEAGUE

2010 PLAYER EVALUATION SCHEDULE

WOODFIELD PARK, SATURDAY, JANUARY 9th, 2010

The Player Evaluation sessions will have each player hit, run bases, pitch, and field/throw in the infield and outfield. Managers for all divisions will be present to evaluate player skills for competitive parity purposes. Parents, please emphasize participation first and performance second.

All players that are league age 8 (age 8 by April 30th, 2010) and over must attend the Player Evaluation session. Players should bring a glove, bat, and batting helmet. Extra bats and helmets will be available. Players must wear long pants.

Baseball shoes and protective cups (for boys) are recommended. Please arrive early to allow time to warm-up.

All league age 12 players must participate in Player Evaluations.

This includes players who played in the Major Division last season.

League age 5, 6 and 7 year olds will be assigned to teams in late January and will not be evaluated.
